### **Disclaimer:**

*Because Metro has not completed a CEQA review, the information contained herein does not constitute or evidence an approval by Metro of, or commitment of Metro to, any action for which prior environmental review is required under CEQA. Metro retains the absolute sole discretion to make decisions under CEQA, which discretion includes, without limitation (i) deciding not to proceed with the Project (known as the “no build” alternative) and (ii) deciding to approve the Project. There will be no approval or commitment by Metro regarding the development of the Project, unless and until Metro, as the Lead Agency, and based upon information resulting from the CEQA environmental review process, considers the impacts of the Project.*

For official information regarding the Project, please visit Metro’s project website:  
<https://www.metro.net/projects/sepulvedacorridor/>

## Agenda:

### A. Briefing Items

#### 1.0 Introductions

#### 2.0 Briefing

- Project Overview
- Monorail/SkyRail Overview
- Alignment Alternatives
- Station Concepts
- Why LASRE is proposing SkyRail

#### 3.0 Q & A

**Question:** What's the timeline for this project in terms of the Board providing a selection?

*LASRE response:* In a recent community meeting, Metro said they would release an EIR for this [project] in 2025 and an LPA selection [would be anticipated] in 2026.
